Comparative representation of the classifications of the creation of the world (mundus) in 6 days (Schedel, 1493; Schedel & Alt, 1493, 1496, res.) and the respective areas and spheres (Velho, 1568; Petavius, 1630; De Vallemont, 1707), divided into a (hypothetical) real R and virtual VR realm.
